

Greeks Uniting in the Fight Against Cancer

Buy for the Drive Against Cancer

Alpha Kappa Alpha and Omega Psi Phi have partnered to support the Coaches for Cancer Drive, sponsored by the Foundation Resource Group. The drive is to raise funds for cancer research. A percentage will be awarded for breast, cervical, colon and prostate cancer research, to Howard University School of Medicine, MeHarry Medical College and Morehouse Medical School.

The Drive will begin September 2007 and end May 1, 2008.

Each member of the sorority is asked to sell three tee shirts @ \$20.00 each totaling \$60.00 and get five commitment cards for any of the screenings listed:

Mammogram

Pap smear

Colonoscopy and

Prostate

This is a great way to support a needy and worthwhile cause. We can encourage others to follow and build a bigger coalition.

Goals

To encourage over 100,000 male and females to commit to screening. To raise 1 million dollars toward cancer research.
