

## A BRIEF ANNOUNCEMENT FROM THE INTERNATIONAL ARCHIVES COMMITTEE FOR CLUSTER CONFERENCES:

The International Archives Committee has sent a reminder – calling for Chapter Research for *The Unforgettable, Unsung Sorors of the Civil Rights Movement Boule Exhibit*.

Each chapter Archives Committee Chair is asked to submit information to our Regional Representative about the timeless Civil Rights and Human Rights service of our historic and current *Unforgettable, Unsung Sorors*. The exhibit design group needs a brief personal and sorority biography along with the Soror's civil rights story, photo and contact information, if available. Our next deadlines are **October 20 and November 20**.

We will celebrate our Sorors and the everlasting impact they have made for the community in this very special Boule Exhibit.
