

Sorors,

I add a joyful endorsement to Soror Mitzi Dease Paige, South Eastern Representative to the International Archives Committee, message below.

Sorors in this region we're heavily involved in EVERY ELEMENT of the Civil Rights Movement - Alabama, Tennessee and Mississippi- all had pivotal roles in the struggle. Where there was change, there were AKA women who were the agents of those changes. PLEASE, PLEASE, PLEASE, PLEASE SORORS let's not miss this opportunity to acknowledge those sorors who made this happen!

From Soror Mitzi Dease Paige, South Eastern Representative to the International Archives Committee:

The International Archives Committee, of which I am a member representing the South Eastern Region, is soliciting your support! We are planning a spectacular Boule exhibit and we are going to feature the **“Unforgettable, Unsung Sorors of the Civil Rights Movement”**. This will be both a physical exhibit and an interactive exhibit at Boule 2012. In order to make this exhibit a huge success, we need assistance from each of you!!

We are looking for information on sorors, both living and deceased, who worked in the struggle for civil and human rights by filing lawsuits and/or being a part of the Civil Rights Movement, both “out front” and “behind the scenes”. If you know of a soror who was involved in the movement, please fill out the attached form and return the information to me. It is also on page 32 of the most recent *Ivy Leaf* magazine. The submission deadline is **September 30, 2011**. Please fill it out and return it to me as soon as possible. My mailing address is on the form.

Since the South Eastern Region is comprised of most of the states heavily involved in the civil rights movement, you know I want South Eastern to be the **BEST** represented region in this exhibit!! I know I can count on the **ATM** to deliver! If you have questions, please contact me at (601) 201-0884 (Cell) or (601) 362-3361 (Home) or (601) 973-2840 (Work). My e-mail address is mdpaka@aol.com.

PLEASE flood my mailbox with information about our rich civil rights past!!
